

Second Conference of the Cecess

II Workshop "Convergence of Educational Sciences in the University"

II Annual meeting of the "Network of Studies about Education"

From November 16 to November 19, 2016
University of Sancti Spiritus
José Martí Pérez
Cuba

ANNOUNCEMENT

The Network of Studies About Education (REED in Spanish), the Center of Studies on Educational Sciences from Sancti Spiritus "Raul Ferrer" (Cecess in Spanish) and the university of Sancti Spiritus José Martí Pérez, convene the Second Conference of the Cecess, in which the II work shop "Convergence of Educational Sciences in the University" and the I Annual meeting of the "Network of studies about education" to be held during the 16 and 19 of November 2016 in the university campus in Sancti Spiritus City.

The scientific workshop will take place on November 16 and 17, having debates on the contribution of educational sciences to the university, as a formative institution. During November 18 and 19 the II Annual meeting of the "Network of studies about education" will take place, with the objective of analyzing the status of every task and research projects during carried out during the period 2015-2016, as well as, the proposal of actions for 2017; and the official membership to REED, for new applicants.

The conference would be adequate for interchanging, promoting and exposure of must outstanding scientific results in educational and pedagogical sciences applied to university development and in which REED and Cecess have developed academical, scientific and practical outstanding experiences. The event is having as objectives:

1. Debate on the experiences in each university, school, academical networks or other institution related to the educational sciences and their contribution to the development of the university as a formative center.
2. Propose actions to contribute to university development and the strengthening of educational sciences as epistemological and practical ground work in contemporary university.
3. Set place to intellectual creation enhancing educational sciences development.
4. Enhance international cooperation among institutions, entities, academical networks, and organizations to favor university development, mainly on educational sciences.

5. To value main results obtained by REED projects during 2015-2016 and plan actions for 2017.

Pedagogical experiences of teachers and university researchers, contributing to the strengthening of educational sciences and to university consolidation will be presented. Every results been presented in the Scientifical conference have to be related to the topics of the event, other presentations not been included in the topics and contributing to the objectives would be analyzed.

Note: Members of REED have their right to take part in the conference, thus every presentation have to be derived from the projects coordinated by each institution. To be a member you need to follow steps on: www.reed-edu.org

General orientations for the II Scientifical workshop “Convergence of Educational Sciences in the University”

The content of the work should be in Arial 12, one space between paragraphs page size of 8½" x 11" (21.59 cm x 27.94 cm), with an extension of no more than 16 pages, margin of 2.5 and using word 6.0 or an updated one as a text processor.

The structure to the paper must be:

INTRODUCTION: (Must present the necessity, updateness and novelty of the work as well as the objectives)

CONTENT: (Theoretical groundwork, applied methods and the results obtained in the research)

CONCLUSIONS AND BIBLIOGRAPHY:

ANNEXES: (If needed to illustrate your work)

Every accepted paper will be published as part of an electronic book

The acceptance of the works is submitted to the following Scientific requirements:

- Having an updated and necessary topic related to the objectives of the workshop.
- Usage of updated and pertinent bibliography.
- An adequate Scientific language.
- Practical or theoretical contribution to educational sciences.

Key dates:

Receiving papers	Up to September 19, 2016
Acceptance confirmation	October 19 , 2016
Interested members of REED to be: Application form	Up to October 19, 2016

To take part in the second Cecess Scientific workshop, participants are to contribute with a donation fee of:

Presenters and participants	140 CUC
Students	70 CUC
Partners	100 CUC

Note: CUC stands for Cuban convertible currency

General Organizers:

Educational Network (REED)

Center of Studies on Educational Sciences (Cecess)

University of Sancti Spíritus “José Martí Pérez” (Uniss)

General Sponsor:

World Educational Network (REDEEM), Peru

Co-sponsors:

- Ministry of Higher Education from Cuba (MES).
- Educational Network from Cuba (REDEES), Cuba.
- Ministry of Science, Technology and Environment (CITMA).
- Pedagogical Upgrading and Research (CECIP), Colombia.
